

Dear Julie, Tim & Helen

I would like to thank you for your hospitality!  
You're a great family and I wish you a lot  
of happiness ♥

First of all Helen, enjoy your new tiny house  
and continue to play violin.

And Tim & Julie, I liked learning you some  
new words in French. If you want, you  
can call me and speak french to me  
and I'll answer you in english.

The neuroscientist made me really want  
to live in Paris!

Thanks for all sweet moments that we  
have shared. I'll never forget  
you, I promise

See you soon, for Helen's wedding

Thank you ♥

Emma
